

STIF ADVISORY COMMITTEE for
GRANT COUNTY TRANSPORTATION DISTRICT
REGULAR MEETING

MAY 13, 2020

PRESENT Via GotoMeeting: Connie Wood, Nick Green, Peggy Neal, Deronda Lallatin, Joe Hayes, Sandi Johnson, Angie Jones

No members of the public present.

Read and approved minutes from 11/14/2019 meeting – Peggy (Motion), Connie (2nd), Unanimous

No Public Comment.

Angie notified the committee that the bus shelter project at Grant Union High School was not able to proceed due to updated costs projected by ODOT. The project is being modified to purchase Simme-Seat bus stop bench/signs for the majority of the deviated route stops. This will bring the project in under budget, and that money can be transferred to other projects within the discretionary grant.

Angie updated the committee on the Connexionz grant progress. Phase 1 – tablet purchase and software implementation to begin this summer. Project is anticipated to be complete by January 2021.

Angie discussed decreased ridership and all precautions being taken by staff, as well as requirements through the Oregon Health Authority. Decreased ridership includes contract revenue and that does have an impact on match monies. However, the CARES grants should off-set this loss.

Angie updated the committee that the 25 passenger vehicle was going to be awarded by the end of the month and should arrive by Nov. 1, 2020.

Angie updated the committee on STIF reporting – reports are being submitted and reimbursements received. ODOT reports they are happy with the data thus far.

Angie updated the committee that the Annual STIF formulary reporting is due this summer and all annual program measurements will be reported at that time.

Meeting adjourned
